

FILLED BY THE FULNESS OF CHRIST

TEXT: *Col 2:9-10*

Paul in this passage summarizes the theme and the practical goal of this epistle: Christ is the fullness of God, and the believer has been filled in Him. In order to understand the life-giving implications of this realities, we look at the text in three parts:

1. Who Christ Is: *All that God is, Christ is (v9)*

- Christ's fullness is defined by God's fullness.
- Christ possesses God's unadulterated fullness.

2. What Christ Gives: *The Believer is Made Complete in Christ (v10)*

- Christ's fullness is the believer's fullness
- Christ administers his fullness to the believer

3. How We Get it: *By Pursuing Christ*
